Rocking Horse Daycare is a 5 star family daycare and PreK program located at the foot of the beautiful Nogal Mountains in Carrizozo, NM. We have been taking care of Carrizozo children since 1992. Very family oriented, we provide a safe place for children to grow and learn.

We are a Level 5 Aim high, accredited by NAFCC. In 2008, Rocking Horse Daycare was selected as the top childcare center in New Mexico and was featured on PBS' "A Place of our Own".

Rocking Horse Daycare provides transportation and extended daycare for children of all ages. We accept funding from private and state sources.

Children who are 4 years old by September 1 are invited to enroll in our PreK.
